Gymnastics Club

Dear All,

After another successful term of Gymnastics, I am delighted to be continuing with the Club at Charles Kingsley's Primary School in the New Year as an extra curricular activity for all abilities. This will be available for children in Year 1 up to Year 5.

The classes I offer aim to gain confidence in the children along with flexibility, strength, stamina, posture and good physical well being. They will consist of games, developing and learning new skills, structured circuits, stretching and generally having lots of fun!

The Club will be running on a Thursday after school from 3.15-4.15pm. Classes will start on Thursday 14th January running until Thursday 18th March costing £80.

If you feel this is something your child will be interested in or you child already attends the club and wants to continue, please send an email to **laurenbakergymnastics@gmail.com** as soon as possible. There are limited spaces available and classes operate on a first come first served basis. Your child's place will be secured as soon as full payment for the term is paid. Please see the Gymnastics Flyer on the school website for more details. I look forward to hearing from you!

Kind Regards,

Lauren

*Please note, if your child has already been attending the club, this does not guarantee your space for next term. The list re starts due to popular demand. (It is the only way I can make it fair for all children)
