School Disco

I am delighted to report on another successful and very well supported school disco with DJ Martin at the helm. It was great to hear very positive feedback from both the children and adults regarding the change to our regular DJ. We raised a massive £701.88 on the night!!!

The build up to the disco definitely peaked long before the the first tune was even played! What to wear? Where to get ready? Who to arrive with? And that was just FOCKSA members, parent helpers and school staff! The children however took it all in their stride, arriving dressed in their best and smiling from ear to ear.

First up – The Infants – a few nervous steps for the younger one as they picked up their glow in the dark wrist bands and headed towards the dance hall. But once in with their friends there was no looking back. There was grooving and singing intermixed with a few games and a very competitive dance competition. In total 80 infants boogied the night away.

Next up – The Juniors - In total 120 juniors attended. The juniors armed with their pocket money headed towards the novelty stalls and the tuck shop before a night of dancing. It was great to hear the banter and giggles of the kids as they discussed what they had bought. The temporary tattoos and henna style tattoos were a massive hit, even one of the teachers decided to try out a henna style tattoo.

To quote one of the boy's in Year 6 after asking him what he thought about the disco he said 'It is the best one ever and I have been to all of the school discos'

A massive thank you to everyone who gave up their Friday evening. It is great to see the children really enjoy themselves.

An intrepid group of Charles Kingsley Dads have set themselves the challenge of completing the 3 Peaks Challenge on the weekend of the 20th June 2015. The group will aim to conquer Ben Nevis, Scafell Pike and Snowdon including over 500 miles of driving between peaks in 24 hours or less, a tough challenge to say the least. Preparations are well under way and training has commenced although there is still a long way to go to ensure that all the team are ready to attempt the 10,000+ feet of ascent across the three mountains.

So, you might ask, WHY are we doing this? We are pushing ourselves to the limit to help raise funds for the Charles Kingsley School to help fund School activities and new equipment which will ultimately benefit with your children's education. **How can you help?** We need motivation, and there's no better way to motivate us than helping to sponsor us to reach our £2,500 target.

You can sponsor us at: <https://www.justgiving.com/CKS-Dads-3PeaksChallenge> Please visit our site to make your donation, it all helps and it's going to a very worthy cause to help Charles Kingsley School.

Thank you for your support.
