Dear Parents and Carers,

Another term and another school year have flown by.

This morning we said a goodbye to Year 6 pupils and parents. We have 17 families leaving us today. Some of whom have had relatively short journeys with us, others who have been part of the CKS family for 12 years. However long you have been with us, please know you and your children have left an indelible handprint on the hearts of all of us and you will be missed.

As I said this morning, Da Vinci leave ready for their next stage. Today you will also have received a Governor newsletter sharing amongst other things, SATS results. This cohort outperformed the Hampshire School average and the National School Average. This is testament to their mature learning behaviours and ability. Well done!

Well done to all the children. Every child has grown so much as individuals and are well on their way along their learning journey. This has been evident reading 218 reports. A real pleasure. Thank you children for being such great ambassadors for our school.

Once again, I would like to thank all of you for your support this year, especially during my time off. The staff really appreciate the kind, encouraging words you share and the ways you show your appreciation towards the team. We all acknowledge there have been challenges, but Charles Kingsley's CE Primary School is a special place and a true school community, with parents, staff and Governors working together for the children.

Thank you too to all the members of FOCKSA who have continued to work tirelessly to raise funds to support the children. Our children really benefit from all the hard work our fundraisers do, so a big thank you to them as always. FOCKSA funds have also been used to subsidise year group's school trips, the Pantomime at Christmas, Listen to Me. I do know that the FOCKSA would love to welcome new members, so please do get involved if you can next year.

Goodbye is such a hard word to say...we tend to skirt round it by saying things like, "See you later..take care", however I truly believe good bye is perfect as it means "God be with you". It is now time to say good bye to 19 families who will be leaving CKS for the last time and to staff. I ask you pray for them as they start on their new paths and thank them for what they have given to the school over many years here!

Have a lovely summer break with friends and family. I look forward to seeing you in September and catching up on all your news.

With kindest personal regards,

Zoe Charlton
