## Medicines in School

Please may we ask that you do not send in medicines with your child to school in their book bags. If your child needs to be given medicine during the school day, you need to come into the office and complete an 'administration of medicines' form which will be kept with the medicine and completed as it is given with times and dosage amounts. Please note; that only prescribed medicines may be given by a member of staff in school. If your child requires non-prescription medicines such as Calpol or Nurofen, you will need to come into school to give this to them, unless a letter from the doctor or hospital is obtained to state the dosage they require and the frequency that it needs to be administered.

## Inhalers

If your child requires an inhaler in school, please can we ask that you leave one here at all times and if you take one home with you, please can you ensure that it is returned into school in case it is required by your child during the school day.

## Contact Details

Please can we ask that if you have had a change in contact details i.e. mobile phone, email, home address etc. that you inform the office as the change occurs so that our records are kept up to date and to ensure that we are able to contact you in case of emergency.

## Parking

Please can we remind you that for the safety of all children and other pedestrians, you must not park on the hatchings outside of school at any time or in the school staff car park.
