Dear Parents,

I hope you are all well after what seems like a dreadful half term holiday for so many. Many staff were completely wiped out with this virus/flu thing; many not getting out of bed for days. Pupils were also very ill. In one way I was glad it was half term as due to the amount of staff affected we would have been at critical ratios to have remained open!

Over the half term, those staff who could took the opportunity to carry out their Extreme Reading challenge. Here are a few to share....

It is Book Week next week..you still have time to do your own Extreme Reading Challenge!

It is usual for the Spring Term to be short, but last half only being 5 weeks seemed ridiculously short. So much was packed in, especially in that last week before half term. We held 3 Learning Events, had a football match, netball match and a cross county league event.

All staff also received further outdoor education training specifically focusing on Orienteering. They spent a very cold half day out on the school field! Well worth it and I am looking forward to see the training coming through in classroom activities.

Here are some pictures taken from our Twitter page during that last week before half term.

Our youngest pupils in Cassatt enjoyed a day dressed as "Super Heros"

 Cassatt made their own superhero capes on the final day of the Superhero topic. They also enjoyed a special superhero lunch. Thanks to the Cassatt staff, the kitchen staff and the parents for getting the children so wonderfully dressed up.

In Year 2 we held our own Great Fire of London!

Some photos from Matisse Learning Event on Wednesday. We were very proud of the children for writing their own script, choreographing their own dance and composing their own chant. All the children loved creating their fire engines with their parents and grandparents.

 Matisse recreated the Great Fire of London in the playground. The children could see how all the houses caught fire so quickly as we had a little bit of wind t...

In Year 4 the parents and pupils had the challenge of making their own Robots!

Year 4 Robot-themed Learning Event. Wigglebot constructing! Fun had by all. It is always lovely seeing the children working as a team with their parents.

If you don't follow our twitter page you are missing out! It is a great way to see what is happening in school.
 @CKingsleys

I would like to take this opportunity to thank the staff for all they do in planning these events and making memorable experiences for the pupils and parents!

As mentioned earlier, next week is Book Week! We have many events planned each day. Looking forward to dressing up and Friday "DEAR Day!" On Friday a bell will ring every now and then...the children have to **Drop Everything And Read!**

Many thanks for all your continued support.

Regards,

Zoe Charlton
