Dear Parents/Carers,

Mrs Charlton's four-day working week

It's now almost a year since Mrs Charlton returned to work following her year of adoption leave. It's been very good to have her back and to see the school moving forwards in lots of ways under her leadership. We are very grateful for all that she does, and also for the support she has received in leading the school from Mrs Connelly, Mrs Taylor and Mrs Watson.

Some of you will recall that Mrs Charlton originally requested that she be allowed to return to work just four days a week, on a temporary basis, before stepping back up to five days a week, and that the Governing Body agreed to this for up to a year.

For personal reasons, Mrs Charlton recently asked the Governors if we could continue this arrangement for another term. After careful consideration, the Governing Body has agreed to grant this request. So please be aware that Mrs Charlton will continue to work just four days a week through the Summer term as well. Once again, we are confident that the school will be led well through this period, and are thankful to Mrs Taylor and Mrs Watson for all that they continue to do during Mrs Connelly's maternity leave.

David Horrocks
Chair of Governors

SCOPAY

Thank you to all of you who pay for your child/ren's school activities/lunches promptly. We are now approaching our financial year end, so can we please ask that you check your child/ren's SCOPAY accounts and settle any outstanding monies that are due.

Snow at School

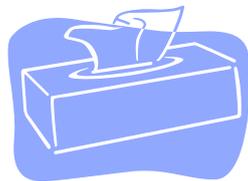

With a second helping of snow last week the children were able to get out onto the school field, putting their creative hats on by making some fantastic snowmen! Here are just some of their amazing creations.

BLESS YOU!

It's that time of year when the children are carrying coughs and colds and as a school we are struggling to keep up with the demand for tissues. We would be very grateful for anyone picking up some extra boxes of tissues the next time they visit the supermarket. Any donations would be very much appreciated by the children.

Sport Relief

The pupils have had a great day raising money for Sport Relief. We started the day with a whole school warm up followed by collective worship, to find out more about the work the Sport Relief charity does to help children in the U.K. and abroad.

Throughout the day all classes have 'buddied up' with another year group and taken part in an orienteering course around the school grounds. The children really demonstrated their skills of teamship, communication and respect for each other and it was wonderful to see.

Thanks for everyone for making a great effort with their sporty outfits and their enthusiasm throughout the day.

PE news

Well done to Nik, Matty, Toby, Oliver and Max who represented the school in a year 3/4 rugby tournament on Thursday. The boys did themselves proud and came joint second! Between them they scored some terrific tries and showed off their defence skills. Great work!
