Lunch Price Increase

School Meals

Please note that the cost of school dinners is going up and therefore in September the charge will be **£2.30** per day for your child's school meal.

The cost for the school dinners per week is therefore £11.50 which is £46 per month. Please can we ask that if your child is having a school meal every day that you ensure that their account has enough money on it each week for their dinners.

Cost of school lunches from September to October half term is: £78.20

OFFICE OPENING TIMES

Please note the school office opening hours are 08:30-09:15 and 1500-16:15

Please can you ensure that your child comes to school every morning with all the items they require for their day ie PE kits, packed lunches, water bottles, trainers etc.

The school office have noticed an increase in the number of items being brought in late, which has an effect on the smooth running of the office and can also disturb lessons.

Dear Parents and Carers,

Another term and another school year flown by.

This morning we said a goodbye to Year 6 pupils and parents. We have many families leaving us today. Some of whom have had relatively short journeys with us, others who have been part of the CKS family for 21 years! However long you have been with us, please know you and your children have left a handprint on the hearts of all us and you will be missed.

As I said this morning and at Winchester Cathedral yesterday, Da Vinci leave ready for their next stage. They are truly an outstanding group of children and I can't wait to hear about what they become and all their future achievements.

Well done to all the children. Every child has grown so much as individuals and are well on their way along their learning journey. This has been evident reading 218 reports. A real pleasure. Thank you children for being such great ambassadors for our school.

Once again, I would like to thank all of you for your support this year. It was extremely heart-warming to read some of your comments received via the Governor Questionnaire. The staff really appreciate the kind, encouraging words you share and the ways you show your appreciation towards the team. We all acknowledge there have been challenges, but Charles Kingsley's CE Primary School is a special place and a true school community, with parents, staff and Governors working together for the children.

Thank you too to all the members of FOCKSA who have continued to work tirelessly to raise funds to support the children. Yesterday we received a cheque for £10,000! Our children benefit from all the hard work our fundraisers do, so a big thank you to them as always. FOCKSA funds have also been used to subsidise year group's school trips, the Pantomime at Christmas, Listen to Me. I do know that FOCKSA would love to welcome new members, so please do get involved if you can next year. With budgets cuts as they are and the wider impact they have had, every penny we can raise helps!

Goodbye is such a hard word to say...we tend to skirt round it by saying things like, "See you later..take care", however I truly believe good bye is perfect as it means "God be with you". It is now time to say good bye to families who will be leaving CKS for the last time and to staff. I ask you pray for them as they start on their new paths and thank them for what they have given to the school over many years here!

Have a lovely summer break with friends and family. I look forward to seeing you in September and catching up on all your news.

With kindest personal regards,

Zoe Charlton
